HAYS COUNTY MADE HISTORY!
AND WE DID IT TOGETHER!

What an election! Hays County Democrats have plenty of reasons to celebrate. We won every county race, many by impressive margins. We held every local seat we were defending and flipped a Republican seat on Commissioners Court in a hard-fought race. We now have a Democratic supermajority on Commissioners Court! And the news got even better: TEXAS TURNED BLUE! We have a Democratic Governor, a Democratic U.S. Senator, and Democrats leading our major statewide offices.

To all our nominees: **CONGRATULATIONS!** Thank you for stepping up, putting your names on the ballot, meeting voters, sharing your vision, and running outstanding campaigns. You represented our party with determination and gave voters a reason to believe in what we can accomplish together.

A win this big doesn't just happen. It took hundreds of people, thousands of volunteer hours, countless conversations, and an incredible amount of hard work.

To our Party Officers, Precinct Chairs, and Party Activists: THANK YOU for leading, organizing, and keeping the wheels turning.

To everyone who raised money, donated, canvassed, phone banked, worked in our offices, distributed signs, arranged rides to the polls, served as election judges, clerks, poll watchers and greeters, created graphics, wrote newsletter articles, wrote postcards, registered voters, conducted community outreach, organized fundraisers, planned events, hosted candidate forums and socials, and passed out campaign literature.

WE SEE YOU! WE APPRECIATE YOU! AND WE COULD NOT HAVE DONE THIS WITHOUT YOU!

Some of you spent evenings making calls. Others gave up weekends knocking on doors. Some worked behind the scenes, making sure every detail was handled. Others showed up wherever help was needed. Every contribution mattered. Every conversation mattered. Every vote mattered.

I am incredibly proud of what we accomplished together. This victory belongs to our nominees, our volunteers, our donors, our supporters, and every voter who believed in a better future for Hays County and Texas.

I personally want to thank my wife and family for supporting me through this long campaign season.

Let's all enjoy this victory. We earned it!

And when you're ready, let's get back to work. We have more people to reach, more communities to engage, and more elections to win.

HAYS COUNTY IS BLUE.
TEXAS IS BLUE.
AND WE'RE JUST GETTING STARTED!

THANK YOU, HAYS COUNTY DEMOCRATS!
